Prez Sez

I would like to congratulate Ernie, WA6FOW, upon being elected Vice-President during last months meeting. Ernie has been a strong supporter of the OCARC and personally organized the weekly 2 meter net, acted as net control for over one year, and has voluntarily coordinated the awarding of our door prizes at each meeting. I am sure that Ernie will do an excellent job.

Of course, propagation has been excellent on the high frequency bands lately and many of us have been making a lot of DX contacts. I hope to meet you on the air soon.

Terry

While we are on the subject, another club office is vacant, Activities Chairman, as the result of the resignation of Bill Wallace, AK6E. Unfortunately for the club, Bill must do a great deal of traveling in his business and will probably be out of the country before long. Because of this, Bill had to resign his club post. We will have an election for Activities Chairman at this month's meeting.

You should have received your first flyer regarding the upcoming SW Div. Convention Oct. 19,29,21, 1979 at Sheraton Anaheim Hotel. Since facilities are limited, it is recommended that you get your reservations to WB6DCC, Bruce Gallant, PO Box 1227, Placentia, Ca. 92670 ASAP. If you have not received your flyer there will be some at club meeting and your favorite candy store.

Anyone who know of a technical program they would like to see presented or has one to present contact W 6 X T or W 6 R E.

NEWS FLASH.....HAM CONVENTIONS ARE A RIP-OFF

THREE LOCAL HAMS RECENTLY SENT \$30 (total) TO THE HAM CONVENTION COMMITTEE FOR REGISTRATION FEES. AFTER THEY ARRIVED AND SETTLED IN THEIR ROOMS, THE HOTEL MANAGER NOTES THEY SHOULD HAVE PAID ONLY \$25 (total). HE INSTRUCTS THE BELLBOY TO RETURN \$5 TO THE UNSUSPECTING HAMS.

THE BELLBOY CAN'T COMPUTE HOW TO EQUALLY DIVIDE THE \$5 BETWEEN THE THREE MEN SO HE DECIDES TO KEEP \$2 IN HIS POCKET AND GIVE EACH MAN \$1 BACK.

EACH MAN PAID \$10 TO BEGIN WITH AND GOT \$1 BACK FROM THE BELLBOY, OR A TOTAL OF \$9 APIECE.

$\$9 \times 3 = \$27 + \$2$ THE BELLBOY HAS= \$29

ARRL BULLETIN NR 9 FROM ARRL HEADQUARTERS
NEWINGTON CT FEBRUARY 22, 1979 TO ALL RADIO AMATEURS BT

Sincere congratulations to AMSAT on this its Tenth Anniversary. On behalf of the thousands of amateurs who call OSCAR their friend, and the countless tens of thousands of students throughout the world who have been introduced to the wonders of space science and communications technology through the OSCAR satellites, our deepest gratitude for the significant contributions AMSAT has made to the Amateur Radio service. Best wishes for an equally exciting and productive future AR

A vital public service is again being performed via amateur radio. Over the past few days, amateurs have been providing the only reliable link between the U.S. State Department, the Pentagon, Andrews Air Force Base and Iran. Since message traffic involving the immediate safety of life is being passed, all amateurs not actively involved in this effort are requested to avoid those frequencies being used AR

OCARC minutes - February 16, 1979 - 7:30 PM, Mercury Savings,
Tustin. Attendance 55.

The President Terry WB6IHZ welcomed everyone and introduced Judy WA6HEL and Fred AG60 who presented the program on their recent trip to St. Martin Island. The unfinished business was to elect A new Vice President. Nominations were open from the floor and Jim WA6LFF nominated Ernie WA6FOW. Alex W6RE moved nominations close and Frank WA6VKZ seconded. By a show of hands Ernie WA6FOW won the election for Vice President. The membership present voted on changing the by-laws of the constitution to include honorary memberships -- the resolution passed 27 to 3. Terry WB6IHZ received a reply back for ARRL concerning Field Day power and decided to wait for the new Field Day rules before making a decision. The breakfast committee found Mile Square Park Restaurant for the club breakfast which will start at this location in March. A motion was made by Al W6IBR and seconded by Lloyd WB6ULU to reimburse money spent over the \$10.00 allotted for flowers to a sick club member.-- motion passed. A thank you note was read from Keith WB6LAR after receiving flowers from the club during his illness. The new business was Bill AK6E Activities chairman resigned because of a heavy work load. Judy WA6HEL volunteered for the next month and an election will be held in March. The treasurer reported the savings account \$594.72 and checking account \$11.02.

GOOD OF THE CLUB ANNOUNCEMENTS

Gene W6SNR passed his 1st class license.

Sandi WA6WZN passed her Extra.

Fried WA6WZO announced the Fullerton ARC novice class will start on March 5. Also Joe WA6JFP was appointed P/R assistant.

Judy WA6HEL announced the upcoming 10X10 luncheon April 28 and the 10 meter net will be at 0300 Z freq. 28.775.

Ernie WA6FOW announced ~~about~~ Anaheim ARC has code practice after the ARES net on Tuesday evening.

Terry WB6IHZ announced the need of a Co-ordinator for the novice classes--we have two volunteers to teach: Alike WA6WYA and Bill WD6BYZ and Bill WA6YKH as a substitute.

Mr. R.F. was Fried WA6WZO and Ernie WA6FOW was the lucky winner.

Respectfully submitted

THE FRIENDLIEST HAM STORE IN SOUTHERN CALIFORNIA

Did you ever walk into a ham store and have a stranger walk up, offer his hand, and say "Hi. I'm Tony. Glad you stopped in". It could only happen in friendly Tower Electronics, in friendly Mission Viejo.

The big surprise comes when you stop in a second time and they call you by name! That's when you realize you're a V.I.P. and that you get something extra along with the hardware.

That's the reputation Tower has earned in just two years. Among the locals, the Tower store has become the preferred source for top brands of equipment, for parts and accessories and for really top-notch technical service.

THE FINEST TECHNICAL SERVICE IN SOUTHERN CALIFORNIA

Expert technical service doesn't seem too important when you're selecting new equipment, but it can be very important after the fact.

If your rig develops a gremlin, we have the special skills and the special equipment to find the problem, to set it right, and to confirm that your radio or whatever is performing to its original specifications.

Take our latest addition, for example. The IFR FM/AM 1000S is modestly called a "service monitor and spectrum analyzer", but it does a lot more . . . and does it to tight commercial tolerances. It checks frequency error, power output, spurious outputs, FM deviation, tone signalling frequency and level, sweep alignment and it's a full-fledged spectrum analyzer . . . all the way to 999.9999 MHz.

We believe that your ham gear should perform 100%, and offer the service to prove it.

THE MOST COMPLETE YAESU STOCK IN SOUTHERN CALIFORNIA

Plus Amidon, Astron, Cushcraft, Dentron, Edgcom, Hustler, Hy-Gain, Icom, KDK, Larsen, MFJ, Midland, Pico, Tristao, TPL, Westcom and Wilson.

Have it both ways!

Our equipment is set up and operating so you can have a real hands-on demonstration, and it's also sealed in factory-fresh cartons, ready for immediate delivery.

You might not expect to find such an extensive stock tucked away in Mission Viejo, but the word is getting out. And knowledgeable hams are coming in.

Tues. thru Fri: 10AM to 7PM
Saturday: 9AM to 5PM
Sunday: Noon to 4PM
